

PAINTING & SPIRIT: Materials List

I will be demonstrating the various exercises during the workshop. You are welcome to, and I suggest, working alongside me. It will be helpful to set up your computer screen and your workplace to accommodate the watching and the working at the same time. I'll be working in oils when I paint. You are welcome to work in whatever medium suits your situation. I would recommend using a paint that has body, like oils or acrylics.

Drawing

Graphite Pencils

Eraser

Sharpener

Charcoal

Paper, at least 90 lb. if not heavier.

Drawing Board

Painting

Oil or Acrylic Paint (I'll be demonstrating in oils)

Black and White

Assorted Colors

At least two supports of your choice, one at least 16x20 inches

A reproduction of a painting by a master painter.
